October 2018

Greetings!

We are excited to share our Fall 2018 catalog with you. On the following pages you'll find information about our newest and best products. This includes four new patterns and a total of fourteen patterns with Add-on Videos™! You'll love having help with everything from the small *Clam Up* pattern to the massive *Ruler Wrap* pattern and twelve more projects in between.

Don't miss the Monthly Photo Contest section in the middle of the catalog. It is such a treat for us to be able to share these amazing projects with you from so many talented makers. We are inspired by seeing photos from you, our amazing customers. Please be sure to enter your photos in the contest, too.

Be sure to check the end of the catalog for some helpful content. You will find our Handbag Zipper Color Chart to assist you with selecting zippers to match your fabrics, along with information about how to access our online video and blog content. And, we've included a fun, easy, [free pattern!](#)

With this catalog, we again send a special 'thank you' to the amazing designers and fabric companies who share their latest work with us and give us the opportunity to play with their beautiful fabrics. We couldn't produce these eye-catching models without them. To help promote them, we have included information about the fabrics we used to make the pieces pictured. If you love something, please check the fine print near the image to learn more.

We hope this catalog inspires you to try a new project, experiment with color, and sew with some innovative designs. Remember to check with your local quilt shop for fabrics, patterns, and supplies. Your support keeps them in business and helps us all continue to provide new and exciting products for you.

Don't forget to visit us online at [ByAnnie.com](#) and our social media accounts. Check back regularly to learn about upcoming shows and classes, too. We love hearing from you and seeing your creations.

Happy stitching,

Annie

PS. Please note that we are a PATTERN company. The images shown are models made using our patterns; the finished bags are NOT for sale. We're happy to provide you with the patterns and supplies needed to make any of the items pictured, but YOU get the fun of making it! If you need help, be sure to check out our online videos, classes, and Add-on Videos™.

Now on a more personal note, I must say that producing four new patterns along with Add-on Videos for each, as well as this beautiful catalog has definitely been an undertaking — and a real group effort, too. Extra-special thanks go to the following people:

- Bailee, Brian, Bryn, David, Diana, Jinny, Kami, Mindy, Moni, Tanner, and Tyree for keeping the wheels of ByAnnie turning while I focused on creating new items.
- Brooke for photography, design, and taking the lead on this catalog. Fantastic job, as always!
- Jake for all your hard work helping us to create excellent video tutorials and marketing. We so appreciate your attention to detail, constant flexibility, and creativity.
- Angela and Mary Anne for your stalwart help in sewing models, testing designs, and providing thoughtful and informed input.
- Lindsie for graphic design and amazing illustrations. You continue to help me take my patterns to new heights.
- Leslie for technical editing and proofing. Your eagle eyes and ability to sew a project in your head while thinking of all the little details are much appreciated!
- Our pattern testers, Cindy, Jan, Kaitlyn, Lavelle, and Vicky, for making our patterns and videos better.
- Kathy and Marv at Alphagraphics for your expert help and for always making us feel like we are your only customer.

Piecekeeper PROJECT BAG

Store and carry all your project pieces or supplies in this handy zippered bag with attached handle. Fabric quilted with Soft and Stable® makes a sturdy base and the mesh front affords great visibility of contents plus a bit of added stretchiness.

Finished: 11"H x 16"W

YOU WILL NEED:

- Fabric — three fat quarters in coordinating prints/colors
- ByAnnie's Soft and Stable® — 13" x 18"
- Fusible interfacing* — ¼ yard
- ByAnnie's Lightweight Mesh fabric* — 8½" x 17"
- Zipper* — 24" single-slide handbag zipper
- Thread to match fabric

* Available at www.ByAnnie.com

I. CUT AND QUILT

NOTE: Cutting dimensions are height (lengthwise grain) of fabric x width (crosswise grain with selvages on sides) of fabric.

Visit ByAnnie.com and subscribe to our newsletter to learn about new products and more free patterns.

A. Cut

From main fabric cut:

- Back Main (to be quilted) — 13" x 18"
- Front Border — 3" x 17"

From lining fabric cut:

- Back Lining (to be quilted) — 13" x 18"
- Border Lining — 3" x 17"

From coordinating fabric cut:

- Bias Binding — 13½" x 13½"
- Handle — 4" x 12"

From ByAnnie's Soft and Stable® cut:

- Back Stabilizer — 13" x 18"

From fusible interfacing cut:

- Border Interfacing — 3" x 17"
- Handle Interfacing — 4" x 12"

From mesh fabric cut:

- Mesh Front — 8½" x 17"

B. Quilt to Prepare Bag Back

- 1. Sandwich the 13" x 18" Back Lining, Back Stabilizer, and Back Main pieces (lining face down, Soft and Stable, main fabric face up) and quilt. Pin to secure layers.
- 2. Quilt as desired using a medium-length machine stitch. If you are straight stitching, a walking foot helps all three layers move evenly under the foot without shifting or pulling.
- 3. Trim the quilted piece to 11" x 16" and sew ¼" from edge to seal edges. This piece will now be called the Bag Back; set aside.

II. PREPARE COMPONENTS

USE accurate ¼" seams unless directed otherwise.

A. Prepare Bias Binding

- 1. Cut the 13½" x 13½" Bias Binding (coordinating fabric) in half diagonally (figure 1). 
- 2. With right sides together, sew the two triangles together along one short side (figure 2). Press seam open. 
- 3. From the resulting parallelogram, cut 2¼" strips, aligning ruler along long bias edge (figure 3). 
- 4. With right sides together, join ends of strips, offsetting tips ¼" and sewing from cleavage to cleavage (figure 4). Press seams open; trim tips. 
- 5. With right sides out, fold the binding in half lengthwise and pin every 3" to 4" to secure; set aside. **TIP:** Pinning rather than pressing yields a much smoother, wrinkle-free binding.

B. Prepare Handle

- 1. Following manufacturer's instructions, fuse the 4" x 12" Handle Interfacing to the wrong side of the 4" x 12" Handle (coordinating fabric).
- 2. With right side out, fold the interfaced Handle in half to 2" x 12"; press to mark center fold. Open and bring long raw edges to pressed center line; press again. Fold in half again to create a 1" x 12" strap. Topstitch around all sides, sewing ¼" from edge (figure 5); set aside. 

C. Prepare Bag Front

- 1. Attach zipper to Mesh Front. 
 - a. With **WRONG** sides together, zipper slide to left and mesh on top, clip the 8½" x 17" Mesh Front to the long edge of a 24" zipper, allowing zipper to extend beyond mesh on each end (figure 6).
 - b. Sew the mesh to the zipper, stitching ¼" along the top long edge. Finger-press the zipper tape to the front of the mesh and sew along the very edge of the zipper tape, flattening the tape against the mesh as you go, enclosing the raw edges of mesh.
 - c. Trim mesh at bottom to make a piece 8½" high, measuring from top long edge of zipper tape to bottom of mesh.
- 2. Attach the Front Border and Border Lining. 
 - a. Following manufacturer's instructions, fuse the 3" x 17" Border Interfacing to the wrong side of the 3" x 17" Front Border (main fabric).
 - b. With right sides together, align the top 17" side of the interfaced Front Border along the bottom of the Mesh Front; pin/clip to hold (figure 7).
 - c. Turn the piece over and position the 3" x 17" Border Lining (lining fabric) with right side of fabric down along the same long edge of the Mesh Front, aligning raw edges. Pin/clip to hold. This sandwiches the mesh between the two fabric pieces.
 - d. Sew together through all layers along long edge (figure 8). 
 - e. Open border pieces and carefully press seams to fabric, making a 11" x 17" piece which will now be called the Bag Front. On main fabric side, topstitch along the border, sewing ¼" to ¼" from seam (figure 9). 

Happy stitching!

III. ASSEMBLE BAG

A. Attach Bag Front to Bag Back

- 1. With right side up, position prepared Bag Front on lining side of 11" x 16" Bag Back (quilted), aligning long edge of zipper with top of Bag Back. Zipper tape and mesh will extend beyond quilted fabric on sides; pin/clip to hold in place (figure 10). 
- 2. Beginning at top left corner of bag, sew through all layers with an ¼" seam, sewing across zipper tape, down right side, across bottom, and up left side. Be sure to move zipper slide to inside of bag before stitching across zipper tape.
- 3. Trim excess zipper tape and mesh on sides even with edges. The piece is now called the Bag Body.

B. Attach Handle

- 1. On the back (main fabric side) of the Bag Body, make a small mark 5" in from each side on the top 16" edge.
- 2. Pin/clip the prepared 1" x 12" Handle (main fabric) to the inside of the marks, aligning raw edges with top edge and being careful not to twist the handle. Stitch across each raw edge, sewing ¼" from edge (figure 11). 

C. Round Corners and Bind

- 1. From the front, round all four corners of the Bag Body by positioning a 2½" circular object in each corner and cutting around the outer edge (figure 12). Re-seal edges. 
- 2. Using the 2¼" Bias Binding made earlier, bind the raw edges of the Bag Body, sewing first to the back (main fabric side) of the bag.
 - a. Leaving about a 6" tail, align the raw edges of the binding with the raw edges of the bag, starting about 3" in from a bottom corner. Sew through all layers using a ¼" seam.
 - b. Join ends using method of your choice and finish stitching binding to back of bag.
 - c. Turn binding to front; topstitch close to folded edge of binding. **TIP:** A stiletto makes this much easier.
